the chief pharmacist;

an advocate of at least five years' standing being a public officer appointed by the Minister;

two medical practitioners appointed by the Minister;

a veterinary surgeon appointed by the Minister; and

four pharmacists appointed by the Minister.

The term of office of the appointed members of the board shall be three years, but they shall be eligible for reappointment.

An appointed member may resign his or her office by writing under his or her hand addressed to the Minister or may be removed from office by the Minister for inability to perform the functions of his or her office.

2. Meetings of the board.

The board shall meet at such times and places as it deems necessary or expedient for the transaction of its business.

The chairperson shall preside at all meetings of the board and, in his or her absence, such member of the board as the members present shall appoint, shall preside.

(3) The quorum of the board shall be four, of whom two shall be pharmacists.

The chairperson at any meeting of the board shall, in addition to his or her deliberative vote as a member of the board, have a casting vote.

The registrar shall cause details of all business transacted at meetings of the board to be entered regularly in a minute book kept for the purpose; and the minutes of the proceedings of each meeting shall be submitted for confirmation at a subsequent meeting of the board and, if passed as correct, shall be confirmed by the signature of the chairperson and, when so confirmed, shall be prima facie evidence in all courts as an accurate record of the proceedings so recorded.

3. The registrar.

The chief pharmacist shall be the registrar, and shall act as secretary to the board and perform such other duties as may be required of him or her by law or by order of the board.

4. Inquiries.

The chairperson of the board may, by summons under his or her hand, require any person to appear before the board or the disciplinary committee at an inquiry held in connection with any of the functions of the board or the disciplinary committee.

A summons under this section may require the person to whom the summons is directed to produce to the board or the disciplinary committee any documents or other articles under his or her control which relate to a matter in question at the inquiry.

A person appearing in answer to a summons under this section—

may be examined as a witness on oath or otherwise;

may examine witnesses and address the board or the disciplinary committee, as the case may be, either himself or herself or by an advocate representing him or her.

(4) Nothing in this section shall require a person, other than the person whose conduct is being inquired into, to give any evidence or produce any article which would tend to incriminate him or her.

PART II —REGULATION OF THE PHARMACY PROFESSION. *Pharmaceutical Society of Uganda.*

5. Establishment of the society.

There shall be established a society to be known as the Pharmaceutical Society of Uganda.

6. Incorporation of the society.

The society shall be a body corporate having perpetual succession and a common seal and may sue and be sued in its corporate name.

The society may hold, acquire and dispose of any property, movable or immovable.

The common seal of the society shall be kept in such custody as the council may determine, and shall not be affixed to any document or instrument except by order of the council, and in the presence of two members of the council who shall sign any such document or instrument independently of the signature of any person who may have signed the document or instrument as a witness.

7. Membership of the society.

(1) Subject to this section and section 8, a person who—

passes the qualifying examinations for membership of the society approved by the council, and completes practical training of such description and for such period as may be prescribed by byelaws made by the council;

holds a degree, diploma or other qualification awarded by a university or institution, approved by byelaws made by the council, denoting a standard which, in the opinion of the board, is not lower than that required under paragraph (a) of this subsection and completes practical training of such description and for such period as may be prescribed by byelaws made by the council; or

is a member of any society or institute of pharmacists by whatever name called and approved by byelaws made by the council as being, in the opinion of the council, an association of equivalent status to the society, shall be eligible for membership of the society.

Notwithstanding the approval of any society or institute mentioned in subsection (1)(c), the council may declare that any specified class or description of members of any such society or institute shall not be eligible for membership of the society.

Byelaws made by the council prescribing practical training for the purposes of this section may contain such special provision as the council may deem expedient declaring that a person—

who had commenced, prior to the commencement of this Act, and completed or completes, whether prior to or after that date, training of such description and duration as may be specified in the byelaws; or

who has served in a post and who completes training of such description and duration as may be specified in the byelaws, shall be deemed to have completed the training prescribed for the purposes of subsection (1)(a).

(4) Byelaws made by the council by which any society or institute is approved for the purposes of subsection (1)(c) may provide, as a condition of that approval, that a member of any such society or institute shall not be eligible for membership of the society unless he or she has undergone such practical training or has acquired such practical experience in the subject of pharmacy, as may be described in the byelaws.

9. Fees for membership.

Subject to section 8, a person who is eligible for membership of the society shall be enrolled as a member upon payment to the council of an entrance fee and an annual subscription fee prescribed by the council.

Fees shall be paid to the secretary of the council.

10. Style of members.

Every member of the society shall be entitled to take and use the title "Member of the Pharmaceutical Society" and shall have the right to use the expression "M.P.S." after his or her name to indicate that he or she is such a member.

No person, not being a member of the society, shall take or use the title of "Member of the Pharmaceutical Society".

11. Restrictions on use of pharmacist, pharmacy, etc.

No person who is not a pharmacist shall describe himself or herself as, or otherwise hold himself or herself out to be, a pharmacist, or assume, take, exhibit or, in any way, make use of any title, emblem or description calculated to suggest that he or she is a pharmacist.

No person shall cause or permit any premises to be open to the public for the sale of drugs under the description "pharmacy", "dispensary", "chemist" or "drug store", or any similar description, unless a pharmacist is on the premises and is supervising the activities carried on.

For the purposes of this section, the use of any of the words "pharmacist", "druggist", "chemist", "medical" or any similar word or combination of words in any language shall be deemed to suggest that the owner of the business and the person having control of the business on the premises are registered pharmacists.

12. Meetings of the society.

Meetings of members of the society shall be held in accordance with the provisions of the First Schedule to this Act.

Registration, discipline, etc.

If, on application made in the prescribed manner by an individual, the board is satisfied that the applicant is of good character and that he or she is a member of the society, it shall direct the registrar to enter the applicant's name in the register; and the registrar, on payment of the prescribed fee, shall enter the name in the register and shall issue to the applicant a certificate of registration in the prescribed form.

A person whose name has previously been entered in the register shall not be entitled to make an application under subsection (2) if his or her certificate of registration—

was cancelled under section 16, unless a period of not less than one year has elapsed since notice of the cancellation was published in the Gazette; or

14. Publication of a list of pharmacists.

The registrar shall cause a list of all pharmacists whose names appear in the register on the thirty-first day of December in each year to be published in the Gazette during the following January.

The registrar shall cause the names of all persons who are entered in or deleted from the register after January in each year to be published in the Gazette.

For the purpose of disciplinary matters relating to the professional conduct of pharmacists, there shall be a committee of the board to be known as the disciplinary committee consisting of—

the legal member of the board, who shall be the chairperson; and

two pharmacists appointed by the society from among members of the council.

16. Disciplinary proceedings.

that he or she has been convicted of an offence under this Act or any other Act; or

that he or she has been guilty of professional misconduct specified in the Second Schedule to this Act,

the registrar shall take such steps as are practicable to verify the occurrence; and if, after consulting the chairperson of the disciplinary committee, he or she is of the opinion that there is cause for an inquiry by the disciplinary committee, he or she shall serve a written notice to that effect on the pharmacist and invite him or her to furnish, in writing within six weeks, such explanation as he or she may desire to make.

Where the registrar serves a written notice on a pharmacist pursuant to subsection (1), he or she shall lay a copy of the notice, together with any explanation furnished by the pharmacist and all other relevant documents, before the disciplinary committee.

Where, after considering the explanation, if any, furnished by the pharmacist in accordance with subsection (1), the disciplinary committee is of the opinion that there is cause for an inquiry, it shall order an inquiry to be held; and the chairperson of the board shall, by summons under section 4, require the pharmacist, the complainant, if any, and any other person likely to give assistance to appear before the disciplinary committee.

Where the disciplinary committee, after an inquiry under this section, is satisfied that a complaint made against the pharmacist has been proved, it may do any one or more of the following—

(a) reprimand the pharmacist;

order the pharmacist to pay to the board a fine not exceeding two hundred shillings;

order the cancellation or suspension for a specified period of the pharmacist's certificate of registration,
and may in any case order any party to the proceedings at the inquiry to pay the whole or a part of the costs of any other party.

Where a notice under subsection (1) is served on a pharmacist, the board may order that the pharmacist's certificate of registration be suspended until the conclusion of the proceedings against him or her.

Where a complaint made under subsection (1) relates to a body corporate or to a partnership, the notice under that subsection may be served upon every person who was, at the time of the occurrence of the events out of which the complaint arose, a director, secretary or manager of the body corporate or, as the case may be, a partner in the firm.

17. Cancellation and suspension of registration.

(1) Where the board orders a pharmacist's certificate of registration to be cancelled or suspended, the registrar—

shall cause the notice of the cancellation or suspension to be published in the Gazette; and

shall, in the case of cancellation, delete the name of the pharmacist from the register; and on such deletion, the pharmacist shall cease to be a member of the society, but, if the case is one in which an appeal may be lodged, the registrar shall not take any action under this subsection until the time limited for giving notice of appeal has expired or, if an appeal is lodged, until it has been finally disposed of.

(2) When the period of suspension of a pharmacist's certificate of registration comes to an end, the registrar—

shall return the certificate to the pharmacist; and

shall cause notice of the ending of the suspension to be published in the Gazette.

18. Appeals to the High Court.

Any pharmacist affected by and aggrieved by an order of the disciplinary committee made under section 16 may appeal, within one month after the date of the order, against that order to the High Court.

Every appeal under subsection (1)—

Subject to this section, notice in writing of a meeting of the council shall be delivered or sent to each member of the council at least seven clear days before the meeting and shall be deemed to have been duly delivered or sent unless the contrary is shown; accordingly, the nonreceipt of any notice by any member shall, subject to the provisions of this section, not affect the validity of the proceedings of any meeting.

The notice shall contain, as far as is practicable, a statement of the business to be transacted at the meeting.

Whenever the president or vice president certifies in writing that an emergency exists, the notice calling for the emergency meeting may be delivered only one clear day before the meeting; and, in any such case, the nonexistence in fact of the supposed emergency shall not affect the validity of the proceedings of the meeting.

(2) The council shall after every four years elect at its annual general meeting the members of the council.

2. Special meeting.

The council may, whenever it thinks fit, convene a special meeting of the society and shall do so within twenty-one days from the receipt by the secretary of a requisition in writing signed by not less than ten members and stating the object of the proposed meeting.

3. Notice of motion not related to business of annual meeting to be given.

A member wishing to bring before the annual meeting any motion not related to the ordinary annual business of the society may do so, if—

the proposed motion relates to matters affecting the society or the profession of pharmacy.

4. Notice of meetings to be given to members.

The secretary shall, not less than fourteen days nor more than twenty-one days before any annual meeting or special meeting of the society, send to each member a notice giving the day, hour and place of the meeting and the business to be transacted at the meeting.

In the case of an annual meeting, the secretary shall send to each member, together with the notice, a copy of the annual report of the council, a copy of the accounts of the society with the auditors' report on the accounts, a list of persons nominated or deemed to be nominated for membership of the council or as auditors, and particularly of all motions to be brought before the meeting under paragraph 3 of this Schedule.

The nonreceipt by any member of the notice or of any of the documents mentioned in this section shall not invalidate the proceedings of the meeting to which they relate.

5. Chairperson of meetings.

At all meetings of the society the president or, in his or her absence, the vice president shall preside.

In the absence of both the president and vice president, a member of the society shall be elected from among the members of the council present to be chairperson.

6. Quorum.

Unless ten members are present at the annual meeting within thirty minutes after the time appointed for the meeting, the meeting shall stand adjourned for a fortnight to be held at the same hour and place or, if the place shall not then be available, at such other place as the council may determine.

On the date to which the meeting was adjourned, the meeting shall proceed to business notwithstanding that there may be less than ten members present.

At a special meeting, unless fifteen members are present within thirty minutes of the time appointed for the meeting, the meeting shall be dissolved.

7. Adjournment.

Subject to this Schedule, the chairperson of any meeting of the society may, with the consent of the meeting, adjourn the meeting from time to time and from place to place.

On a poll being demanded at a meeting of the society, the chairperson shall immediately, or as soon as is reasonably practicable after the conclusion of the meeting at which the poll is demanded, state the resolution or amendment in the form of propositions which in his or her opinion will be most suitable to ascertain the sense of the members upon the substance of the resolution or amendment; and, upon the manner of so stating the resolution or amendment, the chairperson's decision shall be final.

The scrutineers shall reject the vote of any member who, at the date of the meeting, was in arrears with any subscription or other sum payable by him or her under the Act or regulations made under the Act and may in their discretion reject any vote in which a member has failed to observe the notes and directions relating to that vote or any other vote which in their view ought properly to be rejected.

The scrutineers shall, as soon as practicable, report the result of the voting to the chairperson of the meeting and shall include in the report a statement of the number of votes rejected by them and the reasons for the rejection.

The chairperson shall send a copy of the report to each member as soon as practicable; and where there is an equality of votes, the chairperson shall have a casting vote, and, in such a case, shall declare, when so sending the report to members, the manner in which his or her casting vote is given and the result of the voting.

The report of the scrutineers as to the result of the voting, or where given such declaration of the chairperson, shall be conclusive.

The voting shall take effect from the date of the report of the scrutineers, except that where a meeting was adjourned to receive the report of the scrutineers, the voting shall take effect from the date when the report was presented to the adjourned meeting.

Where for any reason a chairperson is unable to exercise any powers granted to him or her by this Schedule, the power shall be exercised by any member of the council who was present at the meeting and who is deputed by the council to exercise such powers.
